| Sommario/riassunto      | An independent evaluation of the World Bank's extensive support to developing countries on trade issues between 1987 and 2004. The study assesses the development effectiveness of World Bank trade-related advocacy, capacity-building, lending and research. It examines the extent to which the Bank's policies and assistance have met its stated objectives in the area of trade and makes recommendations to strengthen the effectiveness of future Bank trade assistance. |
