Sommario/riassunto	This book presents 25 state of the art papers on the conceptual foundations and issues surrounding Non-financial, or Notional, Defined Contribution (NDC), country implementation of NDC (Italy, Latvia, Poland, and Sweden) and case studies for countries where NDC is figured in the reform debate. This book is intended to be a handbook for academics and policy makers who want to become informed about what NDC is and to learn about the pros and cons of this attractive reform proposal.
