Sommario/riassunto	According to a recent World Bank study of remittances, Bangladesh, India, Pakistan and Sri Lanka are all among the top 20 receivers of remittances, with estimated receipts of US3.2 billion, US8.4 billion and U.S 1.5 billion respectively. Migrant Labor Remittances in South Asia identifies and discusses the key issues affecting the remittance industry in South Asia. It examines the development and implementation of policies, processes, and infrastructure to foster a development-

oriented transfer of financial resources between migrants in developed economies and their families in the region. R
