European constitutionalism between evolution and revolution; Can it be made?; Three conceptions of the European constitution The politics of law and the law of politics: two constitutional traditions in EuropeWille zur Verfassung, or the constitutional state in Europe; Law, economics and politics in the constitutionalization of Europe; How can it be made?; The Convention method and the transformation of EU constitutional politics; Deliberation or bargaining? Coping with constitutional conflicts in the Convention on the Future of Europe; Still a Union of deep diversity? The Convention and the Constitution for

Sommario/riassunto

The European Union is currently in the midst of a comprehensive process of reform and the aim of this book is to address the challenge of forging a legitimate Constitution for the EU. These authors clarify the constitutional status of the EU, to take stock of the European Charter of Fundamental Rights and Convention of the Future of Europe as vehicles to foster and create a European constitution.
