Sommario/riassunto

Academics and activists have come together in this edited volume to tackle the complex issues surrounding migration and AIDS. The book sets the agenda for the development of HIV/AIDS prevention and care programme in migrant and minority ethnic communities. Issues covered include: migration patterns; policies for migrant health; legal and human rights issues as they affect mobile populations; racism and stigma; and HIV/AIDS prevention, care and programme evaluation as they pertain to migrant communities. The editors end with an overview of some of the key issues which remain to be addressed. Th
