The Journey Ends-But It Never Does; Notes; Bibliography: Index Sommario/riassunto Sickness, starvation, brutality, and forced labour plagued the existence of tens of thousands of Allied POWs in World War II. More than a guarter of these POWs died in captivity. Long Night's Journey into Day centres on the lives of Canadian, British, Indian, and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in

camps in Hong Kong and the Japanese Home Islands. Experiences of American POWs in the Philippines, and British and Australians POWs in

Singapore, are interwoven throughout the book. Starvation and diseases such as diphtheria, beriber
