Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction / Michael K. Steinberg -- Drugs, moral geographies, and indigenous peoples : some initial mappings and central issues / Kent Mathewson -- The stimulus of prohibition : a critical history of the global narcotics trade / Alfred Mccoy -- Opium and the people of Laos / Joseph Westermeyer -- Opium production in Afghanistan and Pakistan / Nigel J.R. Allen -- The state and the ongoing struggle over coca in Bolivia : legitimacy, hegemony, and the exercise of power / Harry Sanabria -- The marijuana milpa : agricultural adaptations in a post-subsistence Maya landscape in southern Belize / Michael K. Steinberg -- Sacred and profane uses of the cactus Lophophora Williamsii from the south Texas Texas peyote gardens / Clarissa Kimber, Darrel McDonald -- Desert traffic : the dynamics of the drug trade in northwestern Mexico / Eric Perramond -- Cannabis in colonial India : production, state intervention, and resistance in the late nineteenth-century Bengali landscape / James H. Mills -- Suppressing

opium and "reforming" minorities : antidrug campaigns in ethnic communities in the early People's Republic of China / Zhou Yongming -- Environmental and social consequences of coca/cocaine in Peru : policy alternatives and a research agenda / Kenneth R. Young -- Modern use and environmental impact of the kava plant in remote Oceania / Mark Merlin, William Raynor -- The global nexus of drug cultivation / Joseph J. Hobbs.

Sommario/riassunto

Throughout history almost all traditional indigenous societies have used psychactive substances derived from plants in religious and healing rituals. This text explores this issue from a variety of perspectives, ranging from opium production in Afghanistan and Pakistan to peyote gardens in south Texas.
