Descrizione fisica	1 online resource (221 p.)
Classificazione	5,3 DG 4000 DK 3010 JB Y
Disciplina	306.70834
Soggetti	Children and sex Children - Sexual behavior School children - Sexual behavior - England Sex role in children Sex differences (Psychology) in children Gender identity - Philosophy
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Sexualising gender, gendering sexuality -- Presumed innocence -- To be or not to be "girlie" -- Boys "doing" masculinity -- Girls, girlfriends, and (hetero)sexualities -- Boys, boyfriends, and (hetero)sexualities -- We're not like most girls and boys -- Thinking otherwise about girls, boys, and sexualities.
Sommario/riassunto	"Girls, Boys and Junior Sexualities takes an in-depth look at the hidden worlds of young children's sexualities. Based upon extensive group interviews and observation, the author illustrates how sexuality is embedded in children's school-based cultures and gender identities. From examining children's own views and experiences, the book

explores a range of topical and sensitive issues." "Grounded in children's real-life experiences, this book traces their struggles, anxieties, desires and pleasures as they make sense of their emerging sexualities. It also includes frank and open discussions of the pressures of compulsory heterosexuality, the boyfriend/girlfriend culture, misogyny and sexual harassment." "Girls, Boys and Junior Sexualities is a resource for researchers, educationalists and students in childhood studies, sociology and psychology and will be of great interest to professionals and policy makers working with young children."--Jacket.
