Sommario/riassunto	The first edition of this book was a bestseller, and is generally regarded as the most widely used and authoritative text on this topic. This completely revised and updated second edition takes into account the latest changes in educational practice, and includes coverage of recent developments in teacher appraisal and school inspection procedures. Ted Wragg is an international expert on research into teaching and learning, but has always been someone who writes with the teacher in mind. Using a combination of case studies, photographs and illustrations, Wragg shows how va
