Sommario/riassunto	Revised and updated to include the latest research in the field, this second edition of a popular history text examines how the Roman republic was destabilized by the unplanned growth of the Roman Empire. Central discussion points include: the government of the republic how certain individuals took advantage of the expansion of the empire Julius Caesar's accession to power the rise of the Augustan principate following Julius Caesar's murder. Drawing on a wealth of recent scholarship and including an expanded and updated guide to further
