Sommario/riassunto	""Psychological Investigations"" lets readers listen in on one of the most exciting developments in psychology today as it is unfolding. With the current trend in therapy reflecting a movement away from traditional psychology and towards more postmodern psychologies, social therapy, a psychotherapeutic approach developed by Fred Newman, emerges as a qualitatively new way of doing therapy. Social therapy blends philosophy, the arts, and political concerns into a group

approach that focuses on improved social functioning. "Psychological"
