Sommario/riassunto	The rise of the New Right and the collapse of state communism in 1989 has fundamentally changed political thinking in the late twentieth century. Rodney Barker has revised and extended his classic text - Political Ideas in Modern Britain - in the light of these changes. His accessible account of political thinking in Britain since the 1880's now includes detailed analysis of:* the demise of traditional conservatism

and socialism* the rise and decline of the New Right* the growth of feminism, liberalism and pluralism Political Ideas in Modern Britain charts the
