Sommario/riassunto	This book analyses Ukraine's relations with each of its neighbours in the 1990s. It examines the degree to which these relations fitted into Ukraine's broad objective of reorienting its key political ties from East to West, and assesses the extent to which Ukraine succeeded in achieving this reorientation. It shows how in the early days of independence Ukraine fought off threats from Russia and Romania to its territorial integrity, and how it made progress in establishing good relations with its western neighbours as a means of moving closer towards Central European sub-regional and European re
