Sommario/riassunto	From Antiquity to modern times, the Atlantic has been the subject of myths and legends. The Atlantic by Paul Butel offers a global history of the ocean encompassing the exploits of adventurers, Vikings, explorers such as Christopher Columbus, emigrants, fishermen, and modern traders. The book also highlights the importance of the growth of ports such as New York and Liverpool and the battles of the Atlantic in the world wars of the twentieth century.The author offers an examination

of the legends of the ocean, beginning with the Phoenicians and
Carthaginians navigating beyond the
