Sommario/riassunto

Rethinking Geopolitics argues that the concept of geopolitics needs to be conceptualised anew as the twenty-first century approaches. Challenging conventional geopolitical assumptions, contributors explore: * theories of post-modern geopolitics * historical formulations of states and cold wars * the geopolitics of the Holocaust * the gendered dimension of Kurdish insurgency * the cold war world * political cartoons concerning Bosnia * Time magazine representations of the Persian Gulf * the Zapatistas and the Chiapas revolt * the new
