The Limits of the New Class Project in the West; Conclusion: The ""Third Way"" as the Fourth Wave of New Class Projects?; Notes; Works Cited; Index
Sommario/riassunto	In Theories of the New Class, Ivan Szelenyi, one of the most incisive and respected analysts of the intellectual class, and Lawrence King put New Class theories into a broad historical framework for the first time. This book grounds class theories in contemporary issues, and uses modern polemics to revitalize historical debates on the origins of capitalism.
