Nota di bibliografia Nota di contenuto Cover; Contents; Acknowledgments; Introduction: Before Heterosexuality; 1 The Homosocial King Lear: Sex, Men, and Women before the Valorization of Lust and Greed; 2 Restoration Shakespeare I: Adultery and the Birth of Heterosexuality; 3 Restoration Shakespeare 2: Friends and Libertines; 4 "Domestic Tragedy" and Emerging Heterosexuality: 5 Othello in the Seventeenth and Eighteenth Centuries and the Colonial Origins of Heterosexuality; Notes; Bibliography; Index Sommario/riassunto Shakespeare has been misread for centuries as having modern ideas about sex and gender. This book shows how in the Restoration and Eighteenth century, Shakespeare's plays and other Renaissance texts were adapted to make them conform to these modern ideas. Through

readings of Shakespearean texts, including King Lear, Antony and Cleopatra, and Othello, and other Renaissance drama, the book reveals

a sexual world before heterosexuality. Shakespeare and Renaissance Literature Before Heterosexuality shows how revisions and criticism of Renaissance drama contributed to the emergence of heterosexuality. It also shows how changing ideas about status, adultery, friendship, and race were factors in that emergence.
