Soggetti	Indigenous peoples - Ethnic identity Indigenous peoples - Ecology Indigenous peoples - Education Racism in museum exhibits Cultural property - Protection Cultural property - Repatriation Culture and tourism
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This book focuses on the renewal (or rekindling) of cultural identity, especially in populations previously considered 'extinct'. At the same time, Hendry sets out to explain the importance of ensuring the survival of these cultures. By drawing a fine and textured picture of these cultures, Hendry illuminates extraordinary diversity that was, at one point, seriously endangered, and explains why it should matter in today's world.
