	Nota di contenuto	Comprehensive, universal, and free -- Sowing financial seeds: the great investment -- Declaring the health harvest and concealing ruined crops -- Uprooting the traditional health fields -- Cultivation of local health services -- Choosing the method of cultivation: patient choice -- Alienating and spreading fear in the community -- Combing the landscape for a decision-maker -- Rushing into decisions and reaping the consequences -- Discarding the chaff: the shedding of NHS responsibilities -- The great hospital and health service clearout -- From hospital to homestead: the great go-between of intermediate care -- Thresholds and fending: erecting the social care barriers -- The uprooting of real care -- Suffolk health services: gathering storm over the land -- Rural conflagrations and early hostilities -- Setting the wheels in motion: the timetable of war -- The campaign in full flux -- Other fights in a changing landscape -- Decision-making day.
	Sommario/riassunto	Based on his experiences of helping to fight cuts and closures in Suffolk, Michael Mandelstam delivers a damning verdict on the mismanagement of the NHS at national, regional and local level. He charts the widespread cutbacks and closures, both rural and urban, to clinics, A&E services, beds, wards and scores of community hospitals.
