Development of Litigation for Electronic Commerce; Chapter Five. Attempts at Formulating a New Mechanism; Chapter Six. A New Mechanism for Electronic Commerce; Chapter Seven. Conclusion; Bibliography; Index |
| Sommario/riassunto | While litigation will continue to have a role in resolving disputes, developments should be made to accommodate technological improvements. Various parties have carried out different projects providing dispute resolution services for electronic commerce, which provide the basis for formulating a new mechanism for electronic commerce in general. Ultimately, the mechanism should fulfill the goals of resolving disputes in electronic commerce in a time and cost efficient manner. |
