African postcolonial relations through a prism of tragedy -- 4. Symbolization compulsions: Freud, African literature, and South Africa's process of truth and reconciliation -- 5. Disability and contingency -- 6. Literature and the parables of time.
Sommario/riassunto	Ato Quayson uses a method of reading he calls calibrations: a reading of literature with what lies beyond it as a way of understanding structures of transformation, process, and contradiction that inform both literature and society. He surveys texts ranging from Bob Marley lyrics, Toni Morrison's work, Walter Benjamin's Theses on the Philosophy of History, and Althusser's reflections on political economy.
