Sovereignty, Dissymmetry, and Bare Life; Afterword; Notes; Index
Sommario/riassunto	Under the banner of family values, a war of more than words is being waged. At stake is the control of contemporary national culture-and the consciousness of succeeding generations. Michael J. Shapiro enters the fray with this galvanizing book, which exposes the assumptions, misconceptions, and historical inaccuracies that mark the neoconservative campaign to redeem an imagined past and colonize the present and future with a moral and political commitment to the ""traditional family.""
