Kretchmer; Libraries, the New Media, and the Political Process by Nancy C. Kranich; Sex, Democracy, and Videotape by Randy Pitman; Part IV: Libraries Supporting Democratic Information
Sommario/riassunto	During World War II when the future of democracy was uncertain, Franklin D. Roosevelt described libraries as "the great symbols of the

freedom of the mind," "essential to the functioning of a democratic society." Kranich begins this new collection of essays with Roosevelt's sentiment in mind. From Librarian of Congress, James Billington, to founding director of the Center for the Book, John Cole, the leading-edge information specialists of the day share their insights on the role libraries play in advancing democracy. One of the few institutions in the world where people have free access to
