catalog / Judith Yurczyk -- Vendors of cataloging for children's materials / Pamela J. Newberg and Jennifer Allen.

Sommario/riassunto

Library catalogs are doorways to accessing the information treasures available within. To provide excellent service for all who wish to enter, especially children, this classic cataloging reference has provided the key for almost two decades. Since 1998, when the third edition of *Cataloging Correctly for Kids* was published, library cataloging has experienced explosive changes in practices, technological tools, scope of services, and available materials. The new fourth edition, again published in conjunction with the Association for Library Collections & Technical Services (ALCTS), addresses th
