

1. Record Nr.	UNINA9910784210203321
Autore	Rubin Rhea Joyce
Titolo	Demonstrating results [[electronic resource]] : using outcome measurement in your library / / Rhea Joyce Rubin for the Public Library Association
Pubbl/distr/stampa	Chicago, : American Library Association, c2006
ISBN	0-8389-9846-1
Descrizione fisica	1 online resource (179 p.)
Collana	PLA results series
Disciplina	025.1
Soggetti	Library planning Library planning - United States Public libraries - Planning Public libraries - United States - Planning Public services (Libraries) - Evaluation Public services (Libraries) - United States - Evaluation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	What, when, and why of outcome measurement -- Determine outcomes -- Make the outcomes measurable -- Design the data plan -- Prepare for implementation -- Make the most of your results.
Sommario/riassunto	Library services and programs that not only meet goals but can also demonstrate these results are more likely to secure repeat funding. By evaluating and presenting outcomes, libraries can document the positive work they do in a concrete way and gain financial support. According to Planning for Results expert Rubin, outcome measurement lets libraries evaluate how they affect their users' quality of life. This latest addition to the PLA-sponsored Results Series uses familiar task breakdowns along with key terms in a step-by-step, service-oriented format so that readers can master the outcome me

2. Record Nr.	UNINA9910785451303321
Autore	Matras Yaron <1963->

Nota di bibliografia	Includes bibliographical references (p. [232]-241) and indexes.
Nota di contenuto	Angloromani: a different kind of language? -- The roots of Romani -- The historical position of British Romani -- The structural composition of Angloromani -- The conversational functions of Angloromani -- Conclusions: The decline, death and afterlife of a language -- Appendixes: 1. Lexicon of Angloromani -- 2. Predecessor expressions by origin.
Sommario/riassunto	Romani is one of Britain's oldest and most established minority languages. Brought to the country by Romani immigrants from continental Europe in the sixteenth century or even earlier, it was spoken in its old, inflected form as a family and community language until the second half of the nineteenth century, when it yielded to English. But even after its decline as the everyday language of English and Welsh Gypsies, Romani continues to survive in the form of a vocabulary that is used to express an 'emotive mode' of communication among group members. This book examines British Romani in its historical context and in its present-day form, drawing on recordings

and interviews with speakers. It documents the Romani vocabulary and its usage patterns in conversation, offering insight into the processes of language death and language revitalization. The volume includes an extensive lexicon of Angloromani as a helpful reference.
