Sommario/riassunto	This is the French edition of " From Workplace to Workspace."From a desktop, e-mail provides a quick, reliable and cost-effective link to the world at large, changing a traditional "workplace" into a "workspace" that crosses even international boundaries.In developing areas of the world such as Africa, Asia and Latin America, e-mail lists are currently outgrowing all other Internet-based technologies because of their convenience and power. In these and other regions of the world, however, experienced users of e-mail lists are few and far between. For the inexperienced user, participating
