Sommario/riassunto	Americans have always believed that economic growth leads to job growth. In this groundbreaking analysis, Stanley Aronowitz argues that this is no longer true. Just Around the Corner examines the state of the American economy as planned by Democrats and Republicans over the last thirty years. Aronowitz finds that economic growth has become ""delinked"" from job creation, and that unemployment and underemployment are a permanent condition of our economy. He traces the historical roots of this state of affairs and sees under the surface of booms and busts a continuum of economic aust
