A Short History of Madness: Accountability, Audit and Liberal Education -- 8. This I Do for Love: Avocation and Vocation in the University Law School
Sommario/riassunto	Most academics in university law schools would claim to offer a liberal education. Few have thought very much about what a liberal education in law means. Basing itself on a detailed examination of the theory of liberal education, this book looks at what the liberal university law school should be doing in terms of its teaching, research and administration
