

1. Record Nr.	UNINA9910784259503321
Titolo	Delivering rights : how the Human Rights Act is working / / edited by Jeffrey Jowell and Jonathan Cooper
Pubbl/distr/stampa	Oxford [England] ; ; Portland, Oregon : , : Hart Publishing, , 2003
ISBN	1-4725-6286-0 1-280-80066-6 9786610800667 1-84731-175-X
Edizione	[1st ed.]
Descrizione fisica	1 online resource (222 p.)
Collana	Putting rights into practice series
Disciplina	342.4108/5
Soggetti	Civil rights - Great Britain
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"Companion text to Understanding human rights principles"--pages [4] of cover. Papers based on drafts presented at seminars in 2002 at University College, London.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	; Introduction / Jeffrey Jowell and Jonathan Cooper -- The reach of the Human Rights Act 1998 : its jurisdictional scope / Janet Kentridge -- Interpretation and incompatibility : striking the balance / Dinah Rose and Claire Weir -- Fair trial rights, due deference and the wider impact of the Human Rights Act in administrative law / Tim Owen -- What is public power : the courts' approach to the public authority definition under the Human Rights Act / Kate Markus -- Access to the court under the Human Rights Act : standing, third party intervenors and legal assistance / Nathalie Lieven and Charlotte Kilroy -- Remedies for breach of human rights : does the Human Rights Act guarantee effective remedies? / Richard Clayton -- Remedies under the Human Rights Act : a community law perspective / P.M. Roth.
Sommario/riassunto	"As is well known the Human Rights Act 1998 (HRA) is a constitutional innovation, but can its scheme deliver? This timely and provocative book probes the extent to which the HRA is guaranteeing rights and whether it is transforming the legal landscape. This companion text to Understanding Human Rights Principles (Hart Publications 2001) is the culmination of a six-month project where key elements of the HRA

were analysed and subjected to detailed scrutiny by expert practitioners and academics. The result is seven chapters of the highest quality which examine the following subjects including the reach of the Act and its jurisdictional scope and how to strike the balance under the HRA between interpretation and incompatibility. Two chapters look at remedies for breach of human rights. The first under the HRA and the second using Community law principles. The text then goes on to consider assessment of fact, due deference, and the wider impact of the Human Rights Act in administrative law. It then asks what is public power? And looks at the courts' approach to the public authority definition under the Act. Finally access to court under the Human Rights Act is examined including standing, legal assistance and third party intervenors."--Bloomsbury Publishing.

Titolo	Practical and Ethical Dilemmas in Researching Sensitive Topics with Populations Considered Vulnerable
Pubbl/distr/stampa	Basel, Switzerland, : MDPI - Multidisciplinary Digital Publishing Institute, 2020
Descrizione fisica	1 online resource (192 p.)
Soggetti	Humanities Social & cultural anthropology, ethnography Social interaction
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This book seeks to support social science researchers who interact with vulnerability and/or sensitivity in the context of their research. Whilst there has been some important debate about the theoretical, methodological and ethical issues of conducting research on sensitive topics, and/or with vulnerable populations, the number of scholarly

publications focused solely on these topics is limited and not up to date. The book intends to fill this gap by providing various research experiences, as well as the elements that characterize them. The articles selected for this book intend, first and foremost, to stimulate reflexivity amongst the use of the concepts of sensitive topics and vulnerable groups, and to provide tools that will allow researchers to improve their research practices. The book integrates several articles that explore a wide range of dilemmas that, to a certain extent, might allow the reader to access the backstage of this type of research. The reader will find here a rich and fruitful space for theoretical and empirical reflection, where several social science researchers with different backgrounds share their experiences and research paths in a rigorous and creative way.
