| Nota di contenuto       | Half Title Page; Title Page; Title verso; Contents; Preface; Abbreviations and Terminology; Table of Cases; Table of Legislation; Part I; Part II; Part III; Bibliography; Index  |
| Sommario/riassunto      | Bargaining, negotiation and civil penalty sanctions together constitute central techniques used by regulators in securing compliance with the law. This book is a timely exploration of these practices, constructing a principled framework for evaluating their legitimacy and thereby drawing into sharper focus the importance of the constitutional principles in regulatory compliance. |
