Nota di bibliografia	Includes bibliographical references (p. 207-216) and index.
Nota di contenuto	Vocation and transformation -- Vocation and service to others -- Vocation and the university.
Sommario/riassunto	Vocation is most often linked with a specific calling for those in professional ministry. Doing More with Life explores the way higher education can expand this limited understanding of vocation. Specifically, this volume shows that higher education can clarify how God calls all people, allow mentoring across specific vocations, and inspire future generations to think of their lives as vocations.
