Roberts -- Returning moral philosophy to American higher education / Nicholas K. Meriwether -- Pro ecclesia, pro Texana: schooling the heart in the heart of Texas / Stanley Hauerwas. Pt. II. Christian resources for moral formation in the academy. Wisdom, community, freedom, truth: moral education and the "schooled heart" / David Lyle Jeffrey -- Tracking the toxins of Acedia: reenvisioning moral education / Paul J. Wadell and Darin H. Davis -- Could humility be a deliberative virtue? / Shawn D. Floyd -- Cultivating humility: teaching practices rooted in Christian anthropology / Stephen K. Moroney, Matthew P. Phelps, and Scott T. Waalkes.
Sommario/riassunto	The Schooled Heart addresses a basic question about the nature of the

university: should moral education figure among the university's purposes? This volume offers an affirmative response to that question. A central purpose of the university is the moral formation of students-what Beaty and Henry call the schooling of the heart.
