Revolutions in female manners -- ; 4. Hypocrisy and the novel I : Pamela, or virtue rewarded -- ; 5. Hypocrisy and the novel II : a modest question about Mansfield Park -- Coda : politeness and its costs.
Sommario/riassunto	In Hypocrisy and the Politics of Politeness, Jenny Davidson considers the arguments that define hypocrisy as a moral and political virtue in its own right. She shows that these were arguments that thrived in the

medium of eighteenth-century Britain's culture of politeness. In the debate about the balance between truthfulness and politeness, Davidson argues that eighteenth-century writers from Locke to Austen come down firmly on the side of politeness. This is the case even when it is associated with dissimulation or hypocrisy. These writers argue that the open profession of vice is far more dangerous for society than even the most glaring discrepancies between what people say in public and what they do in private. This book explores what happens when controversial arguments in favour of hypocrisy enter the mainstream, making it increasingly hard to tell the difference between hypocrisy and more obviously attractive qualities like modesty, self-control and tact.

2. Record Nr.	UNINA9910557884903321
Autore	Švec Vlastimil
Titolo	Profesionální pomáhání, Rozhovory napí pomáhajícími profesemi / Vlastimil Švec
