Sommario/riassunto	Fascists presents a theory of fascism based on intensive analysis of the men and women who became fascists. It covers the six European countries in which fascism became most dominant - Italy, Germany, Austria, Hungary, Romania and Spain. It is a comprehensive analysis of who fascists actually were, what beliefs they held and what actions they committed. The book suggests that fascism was essentially a product

of post World War I conditions in Europe and is unlikely to re-appear in
its classic garb in the future. Nonetheless, elements of its ideology
remain relevant to modern conditions and are now re-appearing,
though mainly in different parts of the world.
