Solidarity, Community, and Electoral Politics; 6. The Enclave and the State: 7. Encountering Chinatown: Tourism, Voyeurism, and the Cinema; 8. Community Change in Global Context; Notes; Bibliography; Index Sommario/riassunto In the American popular imagination, Chinatown is a mysterious and dangerous place, clannish and dilapidated, filled with sweatshops, vice, and organized crime. In this well-written and engaging volume, Jan Lin presents a real-world picture of New York City's Chinatown, countering this "orientalist" view by looking at the human dimensions and the larger forces of globalization that make this vital neighborhood both

unique and broadly instructive.
