Sommario/riassunto

As the global tourism industry continues to expand and to become more complex, it is vital that those in the industry are equipped with a thorough knowledge of all topics involved. *New Tourism Consumers Products and Industry: Present and Future Issues* provides this comprehensive coverage and more. Written by a team of globally renowned thinkers and researchers, it not only provides a brief historical overview of tourism, but delves deeper, to discuss emerging trends, consumer types and looks at the way the industry itself is changing and developing. It provides the manager of tomorrow with the
