The purge of the "Gang of Four," September-October 1976.
Sommario/riassunto	Offering a different interpretation of the evolution of Chinese politics during the years 1972-82, this book provides a study of the end of the Maoist era, demonstrating Mao's dominance even as his ability to control events ebbed away. It analyzes the tensions within the "gang of four," the role of younger radicals, and more.
