Sommario/riassunto

The goal of this book is to give career counselors knowledge awareness, and skills to work with diverse girls and women to make their lives as authentic, meaningful, and rewarding as they can possibly be. It is designed to help career counselors work with diverse girls and women as they pursue the ever widening choices in their lives. In addition, the text: *focuses on the history of the field and provides the social-historical context for its development; *discusses basic issues and concepts in the career development and counseling of women; *discusses the needs of women from dif
