Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The rise of front-loading -- Explaining front-loading -- The consequences of front-loading -- Proposed solutions -- The politics of nomination reform.
Sommario/riassunto	Front-loading is the single most criticized feature of the American presidential selection process. This text addresses the front-loading problem, providing a comprehensive examination of the entire issue: what it is, when and why it was developed, and its consequences for the nomination process.
