| Sommario/riassunto      | An essential reevaluation of the proper role of politics in contemporary life. In this critical rethinking of the categories of politics within a new sociopolitical and historical context, the distinguished political philosopher Giorgio Agamben builds on his previous work to address the status and nature of politics itself. Bringing politics face-to-face with its own failures of consciousness and consequence, Agamben frames his analysis in terms of clear contemporary relevance. He proposes, in his characteristically allusive and intriguing way, a politics of gesture-a politics of means withou |
