Nota di contenuto	1. The rule of law in transition -- 2. Criminal justice -- 3. Historical justice -- 4. Reparatory justice -- 5. Administrative justice -- 6. Constitutional justice -- 7. Toward a theory of transitional justice.
Sommario/riassunto	"Ruti G. Teitel explores the recurring dilemma of how regimes should respond to evil rule, arguing against the prevailing view favoring punishment, yet contending that the law nevertheless plays a profound role in periods of radical change. Taking a comparative and historical approach, she presents a compelling analysis of constitutional,

legislative, and administrative responses to injustice following political upheaval. She proposes a new normative conception of justice - one that is highly politicized - offering glimmerings of the rule of law that, in her view, have become symbols of liberal transition."--Jacket.
