Sommario/riassunto

Drawing on the best articles from the magazine 'Better: Evidence-based Education', this book brings together the research and expertise of some of the world's leading education researchers. Focusing on practical, evidence-based advice for decision-makers in education, it explores robustly established best practices within classroom management and assessment that educators can apply to their own setting.

Sommario/riassunto

In recent years, the slogan "women's rights are human rights" has become a central claim of the of the global women's movement. Human Rights and Gender Politics: Asia-Pacific Perspectives examines the critical issues raised by this embracing and expansion of the human rights discourse by feminists worldwide. This volume challenges the conventional, ungendered and male-centred analysis of the politics of human rights and addresses the future of global feminisms. It is essential reading for all those interested in learning more about human rights and women's rights in the Asia-Paci
