Sommario/riassunto	Gender battles still rage on most college and university campuses today. For eight years, Women in Higher Education has reported women's strategic advances in the academy. Its goal is to enlighten, encourage, empower, and enrage women administrators, faculty, and students in higher education. This book is a compendium of lively, hard-hitting articles from the successful newsletter. Its thematic sections blend serious commentary, research results, and practical advice with wry humor. Readers will find a broad view of recent progress as well as effective strategies from women who have changed
