Sommario/riassunto	The term ""project finance"" is now being used in almost every language in every part of the world. It is the solution to infrastructure, public and private venture capital needs. It has been successfully used in the past to raise trillions of dollars of capital and promises to continue to be one of the major financing techniques for capital projects in both developed and developing countries. Project Finance aims to provide: *Overview of project finance* Understanding of the key risks involved in project finance and techniques for mitigating risk*Techniques for

Sommario/riassunto	This book explores concepts of quality of life in older age in the theoretical literature and presents the views of a national sample of people aged sixty- five years or older. It offers a broad overview of the quality of life experienced by older people in Britain using a number of wide ranging indicators, including:. Health. Hobbies and interests. Home and neighbourhood. Income. Independence. Psychological wellbeing. Social and family relationships. The result is a fascinating book enlivened by rich data ¿ both quantitative and qualitative ¿ drawn from detailed surveys and interviews with al
