| Sommario/riassunto | Almost two thirds of counsellors and psychotherapists work with clients in up to twenty sessions each: this book reflects that reality and the challenges involved. The bestselling first edition of this book, by two of the UK's leading counsellor trainers and academics, was praised by trainers and tutors for its accessibility, comprehensiveness and practicality. It was also a leading contribution to the movement towards time-conscious counselling and to an understanding of the therapeutic alliance across time. The second edition has been thoroughly updated to include significant recent professi |
