Sommario/riassunto

Dozens of books, articles, television shows, and films relating "near-death" experiences have appeared in the past decade. People who have survived a close brush with death reveal their extraordinary visions and ecstatic feelings at the moment they died, describing journeys through a tunnel to a realm of light, visual reviews of their past deeds, encounters with a benevolent spirit, and permanent transformation after returning to life. Carol Zaleski's *Otherworld Journeys* offers the most comprehensive treatment to date of the evidence surrounding near-death experiences. The first to pla
