Sommario/riassunto	The first half of this book provides a unique overview of the enlargement process from the point of view of Brussels. The second part is an extraordinary historical record of the process from the point of view of each of the chief negotiators involved. - ;This book is a useful tool to anyone who is interested in the enlargement of the E.U., to the citizens of the ten acceded countries who would like to know how they managed to accede and also to officials of the new candidate countries, who are preparing their country for accession. The ""Accession Story"" provides a unique overview of the
