Sommario/riassunto	Volume XX/2 of History of Universities contains the customary mix of learned articles, book reviews, conference reports, and bibliographical information, which makes this publication such an indispensable tool for the historian of higher education. Its contributions range widely geographically, chronologically, and in subject-matter. The volume is, as always, a lively combination of original research and invaluable reference material. - ;Volume XX/2 of History of Universities contains the customary mix of learned articles, book reviews, conference reports, and bibliographical information, whic
