Sommario/riassunto	The overall objective of this comprehensive report is to consider Rwanda's budget support in the context of its overall public expenditure and resources. The report reviews the country's general budget support relevance, rationale, and outstanding challenges by providing a historical background of budget support; assesses progress in budget support related processes and practices; reviews economic and structural reforms and budget support predictability trends; assesses the net resources available to the government of Rwanda and

how these resources have been utilized; provides a review of
