Sommario/riassunto

Why are honour killings and honour-related violence (HRV) so important to understand? What do such crimes represent? And how does HRV fit in with Western views and perceptions of Islam? This distinctively comparative collection examines the concept of HRV against women in general and Muslim women in particular. The issue of HRV has become a sensitive subject in many South Asian and Middle Eastern countries and it has received the growing attention of the media, human rights groups and academics around the globe. However, the issue has yet to receive detailed academic study in the United Kin
